

Anything

Words and Music by Christy Hoagland

Verse 1

You become greater, I become less
When I am willing, You do the rest
In my weakness, be glorified
Through my boldness, You bring new life

Chorus

You in me, calls me to more
I will trust, You'll open the doors
Anything, it's all for You
Surrender, sell out, that's what I choose

Verse 2

Your ways are higher, Lord take my thoughts
You paid the price, I have been bought
You call me out to give You away
This world's not my home, how can I stay?

Bridge

Let my faith, overcome my fear

Bridge 2

Anything, You call me to
Anything, I'm here for Your use
Anything, this life I'll lose
Anything, how can I refuse?
