

The Beauty of Your Grace

Christy Hoagland

Verse 1

Here I am again
Wondering how this ends
I need a friend
I'm on my knees, asking You
Please, oh please
Seeking Your face
A touch of Your grace

PreChorus

God I know You can, help me
I Need Your hand
Reach down for me
Reach down for me, (oh please)

Chorus 1

The beauty of Your grace is
Even when I fail it covers my shame
And takes all the blame
The beauty of Your grace is
Even when I'm wrong it's never too long
To see I belong to You

Verse 2

You understand I'm broken
My heart's words unspoken
Jesus, You see me
I'm on my knees, begging You
Please, oh please
Humbly I plead
Pour out Your peace (on me)

Chorus 2

The beauty of Your grace is
You choose me as Your own, I'm never alone
Or too far gone
The beauty of Your grace is
It restores, redeems and chases my soul
Secures all my hope

(Tag) Verse 3

Draw me near to Your throne, (where I'm)
Justified by grace alone
