

Jesus Is

By Christy Hoagland

Verse 1

When the world feels dark
And the storms keep raging on
Help me to remember, I'm not alone

Verse 2

When I can't forget my pain
When the hurt won't dim or fade
Remind me once again, Lord, You know my
name

Chorus 1

I am known, I am chosen
I am made with God's own breath
I am seen, I am loved
I don't have to be enough
Jesus is

Verse 3

When I've lost my way
When I want to just give up
Bring me to my knees to choose You, the better
thing

Verse 4

You are the God who sees me
While everyone walks by
(And) Lord I know You're faithful and all I need

Chorus 2

I am known, I am chosen
I am made with God's own breath
I am seen, I am loved
I don't have to be enough
Jesus heals and He saves, Jesus is, He is my
praise
Oh, He was and He is, Jesus is, He is

Bridge

He is Holy, Messiah, my Savior and my King
He's my hope, Redeemer, He is my Victory
He is kindness and He's goodness, the truth, He
is
the Life
He is power, my freedom, He will satisfy
Jesus is, He is, He is, He is

Chorus 3

I am known, I am chosen
I am made with God's own breath
I am seen, I am loved
I don't have to be enough
Jesus rules and He reigns, Jesus is, He is my
praise
Oh, He was and He is, Jesus is, He is
Jesus is enough
