Intro

Verse 1

Made in God's image to reflect the life He gave

Uniquely designed to grow in His grace

My sin battle won, my brokenness redeemed

His resurrection power, living in me

Chorus

Created, Redeemed, Purposed for God

His Spirit within, to pour out His love

This life-giving truth flowing through my veins

Oneness in Christ, proclaiming His Name

Verse 2

Fulfilling my calling, to His will I bend

Dancing in freedom, remaining in Him

Sharing my story so the world might believe

Trusting the Savior, His beauty they see

Bridge

I am made to live, I am made to thrive

Jesus, I'm alive in You
